

SRS FY2006 "Rate of Return"

Very few children return to their homes
from foster care

**when Kansas children are taken
few come home again!**

©2006 ACE Bitters

The federal government pays bonus money to Kansas for children who are adopted out of foster care. Bonus money is NOT paid to integrate children back into their birth families.

Wichita Region
1,774 in foster care
195 (11%) returned

All statistics are calculated from FY2006 (July 1, 2004 – June 30, 2006) data from the SRS website:
